ASSIGNMENT - Land - (South Kanara) - Coondapur Taluk - Voderhobli village - S.No.86/52 - Waiver of site value - Proposals submitted.

Refce.B.No.2912/41-2.

Station: M a d r a s, Dated the 12th September 1941.

From

S. Venkateswaran, Esq., I.C.
Secretary, Board of Revenue.

J.B. Brown, Esq., C.I.E., I.C.S.,
Commissioner of Land Revenue.

REFERENCE:

S.No.86/52 of Voderhobli village situated outside Coondapur town limits stands registered as pond poramboke The Collector, South Kanara, reports that though the plot is registered as poramboke, it is actually a dry land on a level with the surrounding fields. The plot contains a labour well which is intended for the use of the members of an 'eligible' class colony closely. The portion covered by the well is 0.15 acre and has been separately subdivided. The Collector proposes to assign the remaining portion of the land, 55 cents in extent, free of land value to Guruva and Saniyaru who are members of the 'eligible' classes. They will get 28 and 27 cents respectively. The land is valuable falling under Board's Standing Order 15-22(f). It is worth Rs.100/- per acre. It does not form part of a compact block measuring more than 50 acres. There are no trees in it.

2. Out of 5.14 acres of land so far reserved for assignment to the 'eligible' classes, all the land except 0.56 acre which has been set apart for a devil-shrine has already been assigned. There are 341 members of the 'eligible' community in the village and only 23 persons have been so far assigned lands. There are no lands available for assignment to the applicants except S.No.86/52 in question. The Collector recommends free assignment as the petitioners are too poor to

to pay the market value even in instalments. The petitioners are willing to have the land assigned to them subject to the conditions applicable to the 'eligible' classes.

3. In the above circumstances, the Board requests that the Government may be pleased to sanction the assignment of S.No.86/52 of Voderhobli village free of land value subject to the condition that access to the well should be reserved and subject to the conditions applicable to the 'eligible' classes.
